

List of papers published in Conference/Symposia/Seminars etc:

Sl. No	Name	Title of the paper	Publication- Seminar/ Conference Details
1	Dinesh Gupta V.Rammurthy & JV Ramarao	National Geophysical mapping in Geological Survey of India- An Impetus to Mineral Exploration	International Seminar & Exhibition of Oil. Gas, Coal, Minerals & ground water- Modern Techniques and Appliances. EXOCIMING 2018 Kolkata 7-9 Feb., 2018
2	D.C.Naskar--- & Dinesh Gupta	Integrated Geophysical surveys For delineating Aquifer zones in----- West BBengal	International Seminar & Exhibition of Oil. Gas, Coal, Minerals & ground water- Modern Techniques and Appliances. EXOCIMING 2018 Kolkata 7-9 Feb., 2018
3	Dinesh Gupta	Multisensor Aerogeophysical Surveys by GSI for Mineral Exploration (Key paper)	39 th AEG Annual Convention and Exploration Geophysics, BHU, Varanasi (5-7 October 2017)
4.	Radhe Shyam, Vivek Kumar Dinesh Gupta	Projected Geometry of Intersected Gold-Copper Mineralisation..... Rajasthan.	39 th AEG Annual Convention and Exploration Geophysics, BHU, Varanasi (5-7 October 2017)
5	H.C.Gouda H.Rajaram Rajesh Kumar JAN Rao Dinesh Gupta	Study of Structures and basement configuration of Hydrocarbon bearing offshore region of Ratnagiri-Mumbai cost- An insight from Aeromagnetic data	39 th AEG Annual Convention and Exploration Geophysics, BHU, Varanasi (5-7 October 2017)
6	R.L. Regar, G.Lashkari, A.Shinde, Amar Singh, Dinesh Gupta and S.L. Singh	Sub surface geological structures in Sawer-Jahazpur area, Rajasthan based on gravity and magnetic mapping. (Abstract-19)	37 th AEG Annual Convention and seminar on Exploration Geophysics, Jaipur (15-17 October 2015)
7	S.L.Singh, S. Bangaru Babu, Prashant Vats, Amar Singh, and Dinesh Gupta	Delineation of subsurface structures in periphery of eastern part of Jahazpur shear zone by regional gravity and magnetic surveys in Rajasthan. (Abstract-20)	37 th AEG Annual Convention and seminar on Exploration Geophysics, Jaipur (15-17 October 2015)
8	D.M. Bhardwaj, Manjeet Kumar, S.S. Baral, R.P. Singh and Dinesh Gupta	Delineation of Carbonatite and REE mineralization host rocks by magnetic (TF) survey in Mandwara, Sirohi district, Rajasthan, India. (Abstract-29)	37 th AEG Annual Convention and seminar on Exploration Geophysics, Jaipur (15-17 October 2015)

9	Pushpraj Singh, Parijat Krishnan Vats, V.N.Singh, R.P. Singh and Dinesh Gupta	Seismic hazard microzonation of greater Baroda town, Gujarat. (Abstract-30)	37 th AEG Annual Convention and seminar on Exploration Geophysics, Jaipur (15-17 October 2015)
10	D.M. Bhardwaj, M. Singh, R.P. Singh and Dinesh Gupta	Integrated Geophysical Studies fir Basemetal and associated gold mineralization in Rampuriya-Gadariyakhera area, Bhilwara district, Rajasthan.	36 th AEG Annual Convention and seminar on Exploration Geophysics, Hyderabad (16-18 October 2014)
11	Radhe Shyam,..... Dinesh Gupta	Geophysical Logging technique in exploration of natural energy source "Coal" in Pachri block, Sohagpur coal field, Madhya Pradesh	36 th AEG Annual Convention and seminar on Exploration Geophysics, Hyderabad (16-18 October 2014)
12	R.L.Regar, G. Lashkari, A.Shinde & Dinesh Gupta	Results pf Gravity & Magnetic surveys around Bhilwara town, Rajasthan- A possibility of targeting deep seated mineralisation	36 th AEG Annual Convention and seminar on Exploration Geophysics, Hyderabad (16-18 October 2014)
13	Pushpraj Singh, M.L.Lakshmana R.P. Singh, L.N.Singh and Dinesh Gupta	Seismic Hazard Microzonation of Greater SURat Town, Gujarat	36 th AEG Annual Convention and seminar on Exploration Geophysics, Hyderabad (16-18 October 2014)
14	SBangaru Babu, A.V. Kulkarni, P.K. Vats, and Dinesh Gupta	Up-liftment of Crustal block in Archaean- Proterozoic, Rajasthan-A Gravity Appraisal	36 th AEG Annual Convention and seminar on Exploration Geophysics, Hyderabad (16-18 October 2014)
15	S.L.Singh, S. Bangaru Babu, Kamal Goyal, Dinesh Gupta & Amar Singh,	Delineation of subsurface structures in parts of Archaean Bhilwara Super Group from Regional Gravity & Magnetic survey in Rajasthan.	36 th AEG Annual Convention and seminar on Exploration Geophysics, Hyderabad (16-18 October 2014)
16	A.V. Kulkarni, S. Bangaru Babu and Dinesh Gupta	Differential Global Positioning System (DGPS) – important role to play in national geophysical mapping programme of geological survey of India. (Abstract-15)	35 th AEG Annual Convention, seminar and exhibition on Exploration Geophysics, Jaipur (3-5 October 2013)
17	D.M. Bhardwaj, B. Sunder Raj, R. Mukherjee, Dinesh Gupta , R.P.Singh and D.K. Saha	Delineation of Platinum group of elements (PGE) host rocks by magnetic (TF) survey in Muthukkallur and Mangalampalayam blocks of MUC, Tamilnadu. (Abstract-17)	35 th AEG Annual Convention, seminar and exhibition on Exploration Geophysics, Jaipur (3-5 October 2013)
18	G. Lashkari, Dinesh Gupta and K. Parida	Gravity Magnetic survey around Jaipur (45N/13), Rajasthan. (Abstract-18)	35 th AEG Annual Convention, seminar and exhibition on Exploration Geophysics, Jaipur (3-5 October 2013)
19	Dinesh Gupta , S.S. Ganguli, K.S.	Close grid gravity surveys at Varkal beach, Kerala (Abstract-12)	34 th AEG Annual Convention and seminar on Exploration Geophysics, Hyderabad (5-7

	SajinKumar		October 2012)
20	Dinesh Gupta , Radhe Shyam, Kalyan Mukherjee	Exploration for auriferous sulphides- significance of magnetic susceptibility measurements in Timaran Mata (West) block, Banswara district, Rajasthan. (Abstract-13)	34th AEG Annual Convention and seminar on Exploration Geophysics, Hyderabad (5-7 October 2012)
21	M.Pradeep Kumar, Dinesh Gupta and B. Hari Rao	Application of geophysics in landslide studies – A case study from Manthada, Nilgiri district, Tamil nadu. (Abstract- 14)	34th AEG Annual Convention and seminar on Exploration Geophysics, Hyderabad (5-7 October 2012)
22	Bidhan Sarkar, Debangshu Banerjee, K.N.Prasad, Dinesh Gupta	Geophysical prospecting for the exploration of gold, PGE and ferrous metals in the southeastern fringe of Singhbhum craton, Keonjar district, Orissa. (Abstract-15)	34th AEG Annual Convention and seminar on Exploration Geophysics, Hyderabad (5-7 October 2012)
23	Dinesh Gupta , Sant Lal Singh, B.B. Bhattacharya, B. Baneerjee	Discovery of lead-zinc deposit by aero electromagnetic surveys in Kayar area, Ajmer district, Rajasthan. (Page 52-54)	Workshop on Recent Advances in ground & airborne electromagnetic methods – innovations in processing & inversion techniques. AMD- DAE, Hyderabad (27-28 September 2011)
24	Bidhan Sarkar, Dinesh Gupta	Importance of integration in mineral exploration – An example from Tamakhum-Thakurdungri area, Purulia district, West bengal. (Page 80-81)	IGU 48 th Annual convention “Modern trends in geophysical exploration of continental margins of India and adjoining seas” Hyderabad (20-22 December 2011)
25	M.Pradeep Kumar M.S.Kumar, Y.Suguna Thulasi and Dinesh Gupta	Application of Geophysics in Landslide studies – A case study around Kattabettu, Nilgiri District, Tamil nadu (Page no.83-84)	IGU 48 th Annual convention “Modern trends in geophysical exploration of continental margins of India and adjoining seas” Hyderabad (20-22 December 2011)
26	Dinesh Gupta	Aero electromagnetic data – A possible use in location of fresh groundwater pockets in hard rock areas (Page no. 28- 29)	IGU 47 th Annual conference “Integrated geoscientific strategies in groundwater exploration and management” Hyderabad (8-10 December 2010)
27	Dinesh Gupta and V.K.Kanchan,	Loacting Groundwater zones by Aero- Electromagnetic Conductors around Kantli River, near Village Papra, Jhunjhunu District, Rajasthan. (Page no.85-89)	National Seminar on Changing Geohydrological Scenario and Its environmental Impact. Geological Society of India (July 6-8, 2009)
28	Dinesh Gupta A.K.Sinha and V.K.Kanchan	Role of Geophysics in sustainable urban development for societal needs (page no.40-41)	Indo-German workshop on Sustainable Urban Development, Jaipur (21 st to 23 rd October 2009)

29	Dinesh Gupta B.Banerjee and B.B.Bhattacharya	Electrical and PEXMEL responses over a sulphide body in Shyami-ki-Dhani area, Sikar district, Rajasthan	31 st AEG Annual Convention and Third International seminar on Exploration Geophysics, Hyderabad (6-12 November 2006)
30	Dinesh Gupta, Suresh Chander, C.P.Sisodia & I.R.Kirmani	Aero-Electromagnetic signatures over a Lead-Zinc prospect in Umarvaniyan Block, Udaipur district, Rajasthan	30th AEG Annual Convention and seminar on Exploration Geophysics, Pune (16-19 November 2005)
31	I.R. Kirmani, Dinesh Gupta, C.P.Sisodia, P.R. Golani and J.K. Vaid	Reappraisal of area-geophysical data in search of auriferous sulphide mineralization in Pindwara-Watera-Deri-Ambaji sector, South Delhi fold belt, Sirohi and Banaskantha districts of Rajasthan and Gujarat	Workshop on Stratigraphy and Structure of Delhi Supergroup in Haryana and adjacent areas, Faridabad, Haryana April 15-17, 2004
32	Dinesh Gupta G.P. Gupta, S.Shekhawat P.K. Yadav	Airborne magnetic_an important tool in geological and structural mapping- a case history from north Delhi Basin.....	Workshop on Stratigraphy and Structure of Delhi Supergroup in Haryana and adjacent areas, Faridabad, Haryana April 15-17, 2004
33	Dinesh Gupta Radhe Shyam	Tracing the extension of mineralisation in Naila-Ki-Dhani block, Khetri copper belt extension, Jhunjhunu district, Rajasthan by Mise-a-La-Masse method	Workshop on Stratigraphy and Structure of Delhi Supergroup in Haryana and adjacent areas, Faridabad, Haryana April 15-17, 2004
34	Dinesh Gupta B.Banerjee	Microgravity survey for bismuth minerl. In Narda area, Sikar.	GSI Sem. Mineral Expl. & Resource Surveys,2001, Jaipur
35	U.K.Biswas Dinesh Gupta Radhe Shyam	Tracing of sulphide mineralisation at subsurface levels by borehole Geophysical surveys in Dhani-Basri Basemetal prospect, Dausa dist.,Raj	GSI Sem. Mineral Expl. & Resource Surveys,2001, Jaipur
36	A.K.Mukherjee Dinesh Gupta et.al	Integrated geophysical surveys in .Kayar-Ghugra basemetal belt-a Surveys case study.	GSI Sem. Mineral & Resource ,2001, Jaipur
37	S.R.Prasad Dinesh Gupta et.al	Electrical technique in deln. of sulphide zone near Dugocha Surveys, Udaipur dist. Raj.	GSI Sem. Mineral Expl. Resource, 2001, Jaipur
38	R. Sharma Dinesh Gupta et.al	Frequency analysis of gravity data of Archaean rocks in parts of Bhilwara, Rajsamand & Udaipur dist., Raj.	GSI Sem. Mineral Expl. Resource Surveys,2001, Jaipur
39	A.K.Sharma Dinesh Gupta et.al	Correlation of lithology and physical properties using Robertson logger in deep borehole at Muradpur, KCB, Raj.	GSI Sem. Mineral Expl. & Resource Surveys,2001, Jaipur
40	Dinesh Gupta, Sagina Ram, B.C.Saikia	Role of Geophysics in Town planning- a case study from Dimapur town of Kohima district, Nagaland.	22 nd AEG Annual Convention and 2 nd International seminar on Exploration Geophysics,

	A.K.Mukherjee		Hyderabad (15-20, November, 1996).
41	Dinesh Gupta, Radhe Shyam, A.K. Agrawal Ram Gopal	Delineation of lode geometry by downhole and ground geophysical surveys in Kayar Zinc-Lead prospect, Ajmer district, Rajasthan-.	Volume of Golden Jubilee Seminar on Exploration Geophysics (1995). by GSI, Kolkata, 1995
42	B.Banerjee, Dinesh Gupta S.S.Dey	PEXMEL surveys for exploration and discrimination of metallic minerals in some parts of Rajasthan.	Volume of Golden Jubilee Seminar on Exploration Geophysics (1995). by GSI, Kolkata, 1995
43	Dinesh Gupta S.L.Singh K.C.Sogani	Geophysical surveys for exploration of basemetal in Kayar-Ghugra area, Ajmer district, Rajasthan.	18 th AEG Annual Convention and seminar on Exploration Geophysics, Jaipur (6-8 April, 1993)
44	Dinesh Gupta H.S.Ranhotra	Electrical responses over a sulphide body in Sikar district, Rajasthan.	16 th AEG Annual Convention and seminar on Exploration Geophysics, Dehradun (5-7 December, 1990).
45	Dinesh Gupta H.S.Ranhotra A.K.Agrawal	Geophysical Exploration for base metal mineralization in area of SW of Agucha Zn-Pb deposit, Bhilwara district,Rajasthan.	15 th AEG Annual Convention and seminar on Exploration Geophysics, Madras, (11-13 December, 1989)
46	Dinesh Gupta Sagina Ram B.C.Saikia.	Geophysical exploration for basemetal in Zuphu, Phek district, Nagaland.	14 th AEG Annual Convention and seminar on Exploration Geophysics, (17-19 November, 1988) Waltair
47	Dinesh Gupta B.C.Saikia	Geophysical Exploration for basemetal in Rajapara (Assam) and adjoining areas of Meghalaya.	13 th AEG Annual Convention and seminar on Exploration Geophysics, Baroda (12-14 November, 1987)
