

List of Reports in Geological Survey of India

Sl. No	Author	Report Title	Published/unpublished
1.	Dinesh Gupta, N.C. Thakuria	Magnetic (V.F) surveys as ground follow-up work of aeromagnetic anomaly E-2 band, South East of Tura Town, Garo hills district, Meghalaya	GSI, unpublished report, FS 1985-1986.
2.	Dinesh Gupta, Sagina Ram, N.C.Thakuria	Report on reconnaissance geophysical surveys for basemetal in Rajapara area, Kamrup district, Assam and its adjoining area in East Khasi hills district, Meghalaya.	GSI, Unpublished report, FS 1986-1987
3.	Dinesh Gupta, Sagina Ram	Report on geophysical survey for basement mineralisation in Zuphu-Washello area of Phek district, Nagaland	GSI, Unpublished report, FS 1987-1988
4.	Dinesh Gupta, Sagina Ram	Report of geophysical exploration for engineering project in Rangapahar cantonment area Dimapur town, Nagaland.	GSI, Unpublished report, FS 1987-1988
5.	A.K Agarwal Dinesh Gupta, Suresh Chand	A report on geophysical surveys for basemetal mineralisation in area southwest of Agucha Lead-Zinc deposit, Bhilwara district, Rajasthan.	GSI, Unpublished report, FS 1988-1989
6.	Kalyan Mukerjee, Dinesh Gupta, Suresh Chand	Geophysical exploration for basemetal mineralisation in extension area of Agucha Lead-Zinc deposit, Bhilwara district, Rajasthan	GSI, Unpublished report, FS 1989-1990
7.	Dinesh Gupta, Sant Lal Singh	Report on the geophysical surveys for base metal mineralisation over AEM conductor nos. 446, 447, 460, 461 & 462 in Kayar-Ghoogra area, Ajmer district, Rajasthan	GSI, Unpublished report, FS 1990-1991
8.	Dinesh Gupta, S.S. Yadav, RadheShyam	Report on geophysical surveys for ground follow up of aero EM conductor no 794, near Kantaliya village, Pali district, Rajasthan.	GSI, Unpublished report, FS 1991-1992
9.	Dinesh Gupta et.al.	Report on borehole logging Mise-a-la-masse surveys in basemetal sulphide host gold, lignite mineralisation of in various prospects of Rajasthan.	GSI, Unpublished report, FS 1992-1998
10.	S. Banglani, Dinesh Gupta, RadheShyam	Report on borehole logging Mise-a-la-masse surveys in basemetal sulphide host gold, lignite mineralisation of in various prospects of Rajasthan.	GSI, Unpublished report, FS 1998-1999
11.	Dinesh Gupta, RadheShyam, et al.	Report on borehole logging Mise-a-la-masse surveys in basemetal sulphide host gold, lignite mineralisation of in various prospects of Rajasthan.	GSI, Unpublished report, FS 1999-2000
12.	Dinesh Gupta, RadheShyam & et. al.	Report on borehole logging Mise-a-la-masse surveys in basemetal sulphide host gold, lignite mineralisation of in various prospects of Rajasthan.	GSI, Unpublished report, FS 2000-2001

13 to 27	Dinesh Gupta	Supervised 14 investigations of Mineral exploration, Geophysical Mapping, Borehole Geophysical logging, Mise-a-la-masse surveys, Microzonation of several Urban agglomerations and Land slide studies in Rajasthan, Gujarat, Tamil Nad, Kerala, Karnataka and Andhra Pradesh	GSI, Unpublished report, FS 2007-2014
